At the Akron Fossils & Science Center, we believe the best way to learn science is to experience it! We understand that everyone learns differently, so our hands-on and interactive programs are custom tailored to meet the specific needs and goals of your learners.

Our experienced instructors work with your group to create a comfortable and personalized experience each visit. Call to schedule today!

# ENGAGE. DISCOVER. ENRICH.

## Group Admission \$7

**Engage** your students in the world of science, as you move through our three part program featuring topics like fossilization, dinosaurs and dragons, living fossils, the Grand Canyon, fossils of Ohio, and more!

Students will touch real fossils, replicas, and even make their own trilobite replica to take home.

All tours are tailored to the ages and learning needs of your group, ensuring an engaging experience for all.

## Add-On Workshop \$12

**Discover** more, as your students participate in a workshop of your choice added on to your tour.

**Scientific Studies Add-On Workshops:** Rock Formation and the Geological Column, Plate Tectonics, Our Solar System, Earth Systems, Hands on Physics, Design Patterns, Ancient Technology, Life Sciences, Ohio History, Heredity and Natural Selection, Plants in the Fossil Record, Fossils Around the World, Dinosaur Extinction Theories

**Creature Feature Add-on Workshops:** Habitats and Homes, Ecology and Adaptations, Hide and Seek, Venoms and Toxins, What's for Dinner? Offense and Defense, and Conservation and Stewardship

## Educational Day \$18

**Enrich** your students with a full day of customized science education that is set to your group's personal learning goals.

**School Groups:** A day linked to your student's grade level Science (Earth, Life, and Physical) Standards (K-8th)

**Scouts Groups:** A day linked to the science badge of your choice

**Other Learning Groups:** A day linked to any area of scientific interest that your group has. This could include Geology, Paleontology, Zoology, Astronomy, Ecology, Chemistry, General Science, Apologetics, and many more.

**Please Note:** At least 15 full price participants are required to book a group.
